COMPACT FOOTPRINT
Select the MS36-36 for the MT System.

2. Choose Your Oven Size

The dimensions below refer to the size of the cooking surface.

RT, NP, DB, EF (Diameter measured in cm)	MS (Diameter measured in inches)
70	MS 34-31
80	MS 35-26
90	MS 36-36
110	MS 37-25
130	MS 42-31
140	MS 68-32
150	MS 71-59
165	MS 83-31
180	MS 99-69
	MS 107-31

3. Choose Your Optional Features

Select Your Fuel Configuration

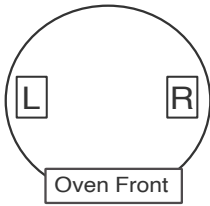

Wood only

Natural Gas

LP Gas

Please consult with your sales representative to discuss purchasing a single or double axle oven trailer, a plug & play ventilation system, a prep table, a mixer, or pizza tools.

Select Your Gas Burner Options

Right-Side

Left-Side

Dual Burners

All gas units have the option of placing the burner on the left or right sides of the oven. Remember that your chef should be able to view pizzas inside the oven from his/her workspace (example: if prep area is to the right of the oven, the burner should also be on the right).

NOTE: Dual burners requires 2 separate gas connections.

ALL ROTATOR OVENS COME STANDARD WITH DUAL BURNERS.

Black Powder Coat or Stainless Steel?

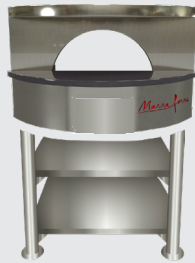

Matte Black Facade

Matte Black Stand

Exhaust Fan

*Optional Upgrade

Fan Interlock

*Optional Upgrade for Gas Ovens

The fan will automatically turn on/off with your oven and the speed of the fan can be adjusted from the oven's touchscreen control.

4. Customize Your Tile Design

Ovens include a variety of standard tile colors with choices of the grout. Standard tile features a glossy finish with a dimpled texture. For more customized tile options please refer to our Tile Catalog. To customize the front of your oven with text, use the spaces below. The price will be based on the width and height of the letters. If you'd the tiles to be cut to match your logo there will be an additional charge. The cost calculation will depend on the colors and style of text and dimensions.
